Rejections CV

This is the list of rejections I have had so far. I borrowed this idea from other researchers such as, for example, [Johannes Haushofer](#) or [Raimundo Undurraga](#). I do this to keep in mind that this is a long game. We have far more rejections than acceptances along the way. Writing rejections here is a liberating experience. Always remember to enjoy the process and do not frustrate too much!

Rejected in Econ Job Market

These include only campus visits. I was rejected from too many other places to put them here :)

2024 Bank of Canada, Fed Board

Rejected from Econ or similar Ph.D programs

2018 Chicago, Columbia, Minnesota, Northwestern, BU

Journal Rejections

2025 AEJ: Macro, JPE

2024 QJE, ReStud, AER

2023 QJE, JME, JoLE, ReStat

Fellowship and/or Internship Rejections

2023 Central Bank of Chile, International Monetary Fund, San Francisco FED, New York FED, St. Louis FED

2022 Central Bank of Chile

Conference Rejections (Main ones, if I list everything it would be a very long list)

2026 NBER SI

2025 SED (Waitlisted, got out but couldn't attend), Barcelona Summer Forum, CEBRA (although I discussed a paper at the end)

2024 SED Winter Meeting, Barcelona Summer Forum

2023 SED, Barcelona Summer Forum, CEBRA, NBER Monetary Economics Meeting

2022 SED

¹Credits to Jorge Miranda-Pinto for the quote.
